Ker Group

Our company is focused on one single idea; we can't imagine a space that does not have tiles. We now offer a vast selection of interior decoration products ranging from large format porcelain to decorative handcrafted cement tiles, from stone and glass mosaics to contemporary bathroom décor solutions. KER GROUP currently holds four brands: Kertiles, Euroker, Kerdecora and Kerartspace, all innovative, building solutions for contemporary architecture.

Nuestra empresa está enfocada en un concepto, no podemos imaginar un espacio donde no haya azulejos. KerGroup pretende convertirse en un espacio de inspiración donde se puedan encontrar diferentes soluciones estéticas y constructivas. KerGroup alberga en la actualidad cuatro marcas: Kertiles, Euroker, Kerdecora y kerartspace, todas ellas con un alto valor de diseño para el hábitat. En definitiva un grupo empresarial con una potente red de distribución que le permite estar presente en más de 10 países. KerGroup near you.

kertiles

The first of KerGroup's four brands, Kertiles boasts more than 30 years of experience in the industry and has solid and long-lasting relationships with distribution partners. Founded in 1996, Kertiles has grown into an industry standard for quality and service. Since our inception, the focus has been providing a high quality porcelain product at the most competitive price.

Kertiles es la marca más veterana, cuenta más de 30 años de experiencia en el sector y tiene en su haber más de 10.000 referencias que se caracterizan por su funcionalidad.

e u r o k e r

The brand Euroker was created in 2014 as a response to a growing demand for high-quality European imported products. All Euroker products are 100% designed and manufactured in Europe. This brand has opened new markets to the Kertiles group, and has strengthened the value of our product portfolio with our distribution partners.

La marca Euroker nació en el 2014, como una respuesta a la demanda del mercado por un producto de alta calidad europea. Todos los productos de Euroker están 100% diseñados y producidos en Europa. Esta marca nos ha abierto nuevos mercados y ha fortalecido nuestra gama de productos con nuestros distribuidores.

A newer venture of KerGroup, Kerdecora is a brand of design that was born during a process of diversifying the group's versatile collections in 2017. Kerdecora surged with the objective of offering furniture of quality and design for bathroom spaces, aiming to extend our material and color offerings.

Kerdecora, una marca joven y de diseño que nació dentro del proceso de diversificación del grupo en 2017. Kerdecora surge con el objetivo de ofrecer mobiliario de calidad y diseño para el baño.

KER

Kerartspace is a multifunctional space created to promote the fusion of art and industry in the city of Miami. It currently hosts regular exhibitions and innovative projects in conjunction with established artists, galleries, universities, as well as the City of Doral.

Por último, está Kerartspace, un espacio multifuncional pensado para promover la fusión del arte y la industria en la ciudad de Miami.

If you like the feel of concrete, you'll love the Aneto Collection. These porcelain tiles imitate the beauty of concrete surfaces, as well as the worn, distressed texture of stone and other materials. The Aneto tiles were designed to imitate the natural imperfections that come from use and time, creating an urban and modern elegance.

Cemento de aspecto desgastado y rayado. Una colección que se inspira en los efectos y pequeñas imperfecciones de las piedras.

The Aqualuna Collection stands out for its unique texture.

Its metal-like surfaces were designed to look industrial, modern, and sleek.

The metallic texture is created by imitating the subtle and decorative oxidation effect of metal material.

Porcelánico que se inspira en el metal aportándole con un sutil efecto de oxidación.

Aqualuna destaca por su acabado y por la atracción que despierta el movimiento de su gráfica.

These surprising combinations have been designed with your space in mind.

The Polaris collection lets you combine a base tile like the Polaris, inspired by marble with grey marks, with an accent piece like the Polaris Ellips, created with a three-dimensional relief effect.

Combinaciones sorprendentes pensadas para tus espacios.

Polaris combina una pieza base inspirada en el mármol con vetas grises con una pieza con relieve que genera un efecto 3d.

The Tasos Collection is composed of elegant marble tiles with grey streaks, overlaid with a unique textured relief.

The surface of these tiles creates a play of light and shadows, a mesmerizing effect made for emphasizing the dimensional properties of this collection.

Esta colección reproduce un elegante mármol con vetas grises y le suma una pieza decorada con relieve. La iluminación de los espacios será la gran aliada para destacar las propiedades volumétricas de esta serie y el brillo de su base.

CAUTION: READ BEFORE INSTALLATION

Disclaimer on tiles: Polished porcelain may have variations in color, shininess effect and smoothness. These variations are affected by light and brightness. No claims will be accepted due to these changes in surface appearance. Due to the delicate nature of these products, we do not recommend the application of strong cleaning products, solvents, polishing, or buffing to the tile. BEFORE INSTALLATION, we recommend a thorough inspection of all tiles. No claims will be accepted after the tiles have been installed.

ATENCIÓN: LEER ANTES DE COLOCAR

Aviso legal: La porcelana pulida puede mostrar variaciones en color, tonalidad, brillo y liso. Diferentes tipos de luz afectan el aspecto del producto. No se aceptan reclamaciones debidas a cambios en la apariencia de la superficie. Debido al delicado acabado de estos productos, no recomendamos el uso de disolventes, productos de limpieza acidos, o ningún tipo de pulido o abrasivos. ANTES DE LA COLOCACION recomendamos revisar cuidadosamente todas las piezas. No se aceptan reclamaciones una vez el producto ha sido colocado.
